

Annual Giving Programme 2009

Thank you everyone who participated in the 2008 Annual Giving programme. Over \$12,000.00 was raised. Annual Giving enables the advancement of projects that may otherwise stay below the budget cut-line for another year. The projects funded have tangible, immediate impact for students and staff.

“Students will be able to extend the scope of their projects,” said Francois du Plessis, Head of Technology of the new wood lathe on its way. As well, the Art Department purchased 10 digital imaging suites, Music obtained a sought after semi-acoustic guitar and 4 good quality microphones. Table tennis is growing in popularity so another table was purchased for practice, and assistance toward the upgrade of chapel curtains completed the projects. A great result!

The number of projects we support in 2009 hinges on the participation of you all. Whether you give \$10 or \$10,000, each gift is important.

We urge you to support the 2009 Annual Giving Programme
