

Annual Giving Programme 2011

At Sacred Heart College we are emphatic about our purpose, but for the College to flourish it needs the support of the community.

Annual Giving

- ❖ helps ensure that Sacred Heart College remains at the top of academic, sporting and cultural achievement
- ❖ supports improvements and additions to College facilities
- ❖ allows students who would otherwise not be able to afford a Marist education to attend school here

We are encouraged by the growing number of parents, old boys and friends joining the Sacred Heart tradition of philanthropy. So we can remain and continue to develop as a leading boys' college in New Zealand we need to pursue excellence with vigour in all we do.

We encourage each and every member of the Sacred Heart family to contribute to Annual Giving 2011. Every gift is important regardless of the amount.
