An ideal venue for sports training,
tournaments and camps, special
functions and conferences

Heather Mitchell, Tour Manager of NSW Little Athletics Association Trans Tasman Tour Committee
"Every two years since January 1982 our group has stayed in the Sacred Heart College hostel and made use of many of the school's facilities. Our group usually encompasses about 140 girls and boys aged from 10 to 12 years, and 50 adults. We eat in the dining hall, use playing fields for athletics training and we also have two of the College staff do all our laundry. The Hall is used for a disco and children's concert, and the room under the Chapel is used by the adults as a recreation area each night. The coach parking area is also great as the children are not near any street when they are getting on and off the coaches. The College is well situated in a safe area and the grounds are magnificent."

"In addition to its suitability as a venue, we find all of the staff we liaise with at the College are very dependable and adaptable to our requirements. They go out of their way to make our stay enjoyable."

Kurt Goldsworthy, Head Coach, New Zealand Waterpolo and Marist Waterpolo

"We make use of the pool 30 hours a week and it is ideal for our needs. It's large enough that I can have two groups training in the pool at the same time. We appreciate having access to other facilities such as the gym for warm-up exercises, the playing fields, and the boarding hostel to accommodate teams attending tournaments held at the pool."

Damian Pedreschi, Director of Coaching, Parnell Swimming Club (140 members)

"We are delighted to call Sacred Heart our home facility. With one of the leading short course (25m) swimming facilities in the country, it allows Parnell Swimming Club to offer a programme of the highest standards to its swimmers, as they strive for national and international success. The pool is in a sporting school environment, is safe, and parking is easy. The school also has the advantage of offering the gymnasium and classrooms to add value to our programme, and the camp facilities where we stay in the boarding area. It is a total package for a successful swimming team."

With excellent facilities, and
cost-effective accommodation and
catering options, Sacred Heart
College is an ideal venue for a
wide range of events.

ENDORSEMENTS

Louise Campbell, Worshipping Under Southern Skies, Catholic Liturgical Music Conference (350 people)

"Sacred Heart College provided an excellent location for the kind of conference we held. We had access to large spaces such as the Chapel and the Auditorium for whole group gatherings as well as more intimate spaces like the Old Boys Lounge. The Hall worked exceptionally well for registrations and trade displays, and classrooms were available for workshops. There was a good flow through the whole area and it was easy for delegates to find their way around."

"The accommodation we utilised in the senior dormitories suited our purposes and we were very satisfied with the catering. The administration staff that assisted with our use of the site and its facilities was very professional and helped ensure the smooth running of the event."

Greg Wolfe, National Development Manager for New Zealand Baseball

"We have squads of all ages training at Sacred Heart, from 10 years old through to senior. We find the gymnasium is perfect for indoor training, and there is easy access to large, open playing fields outside. One of the best things about the school is that we get to work with co-operative people who are willing to give our sport a chance. Slowly but surely, baseball is developing in New Zealand."
